

Getting here by Car

Drivers can arrive via the A56 leading from Old Trafford, A5081 or A5063. It takes around 15 minutes to get here from the city centre. We have on-site parking too.

Getting here by Tram

The venue is located between two tram stops: Pomona, which runs every 6 minutes, and Exchange Quay (Media City/Eccles line) which runs every 12 minutes. For more information, head to: www.metrolink.co.uk.

Getting here by Rail

Manchester Victoria and Salford Crescent provide close access to the venue. Manchester Piccadilly is three miles away, more suited to passengers arriving from the North East, Midlands and further south in the UK. Manchester Oxford Road is on the same line – it's only 2.3 miles from the Warehouse

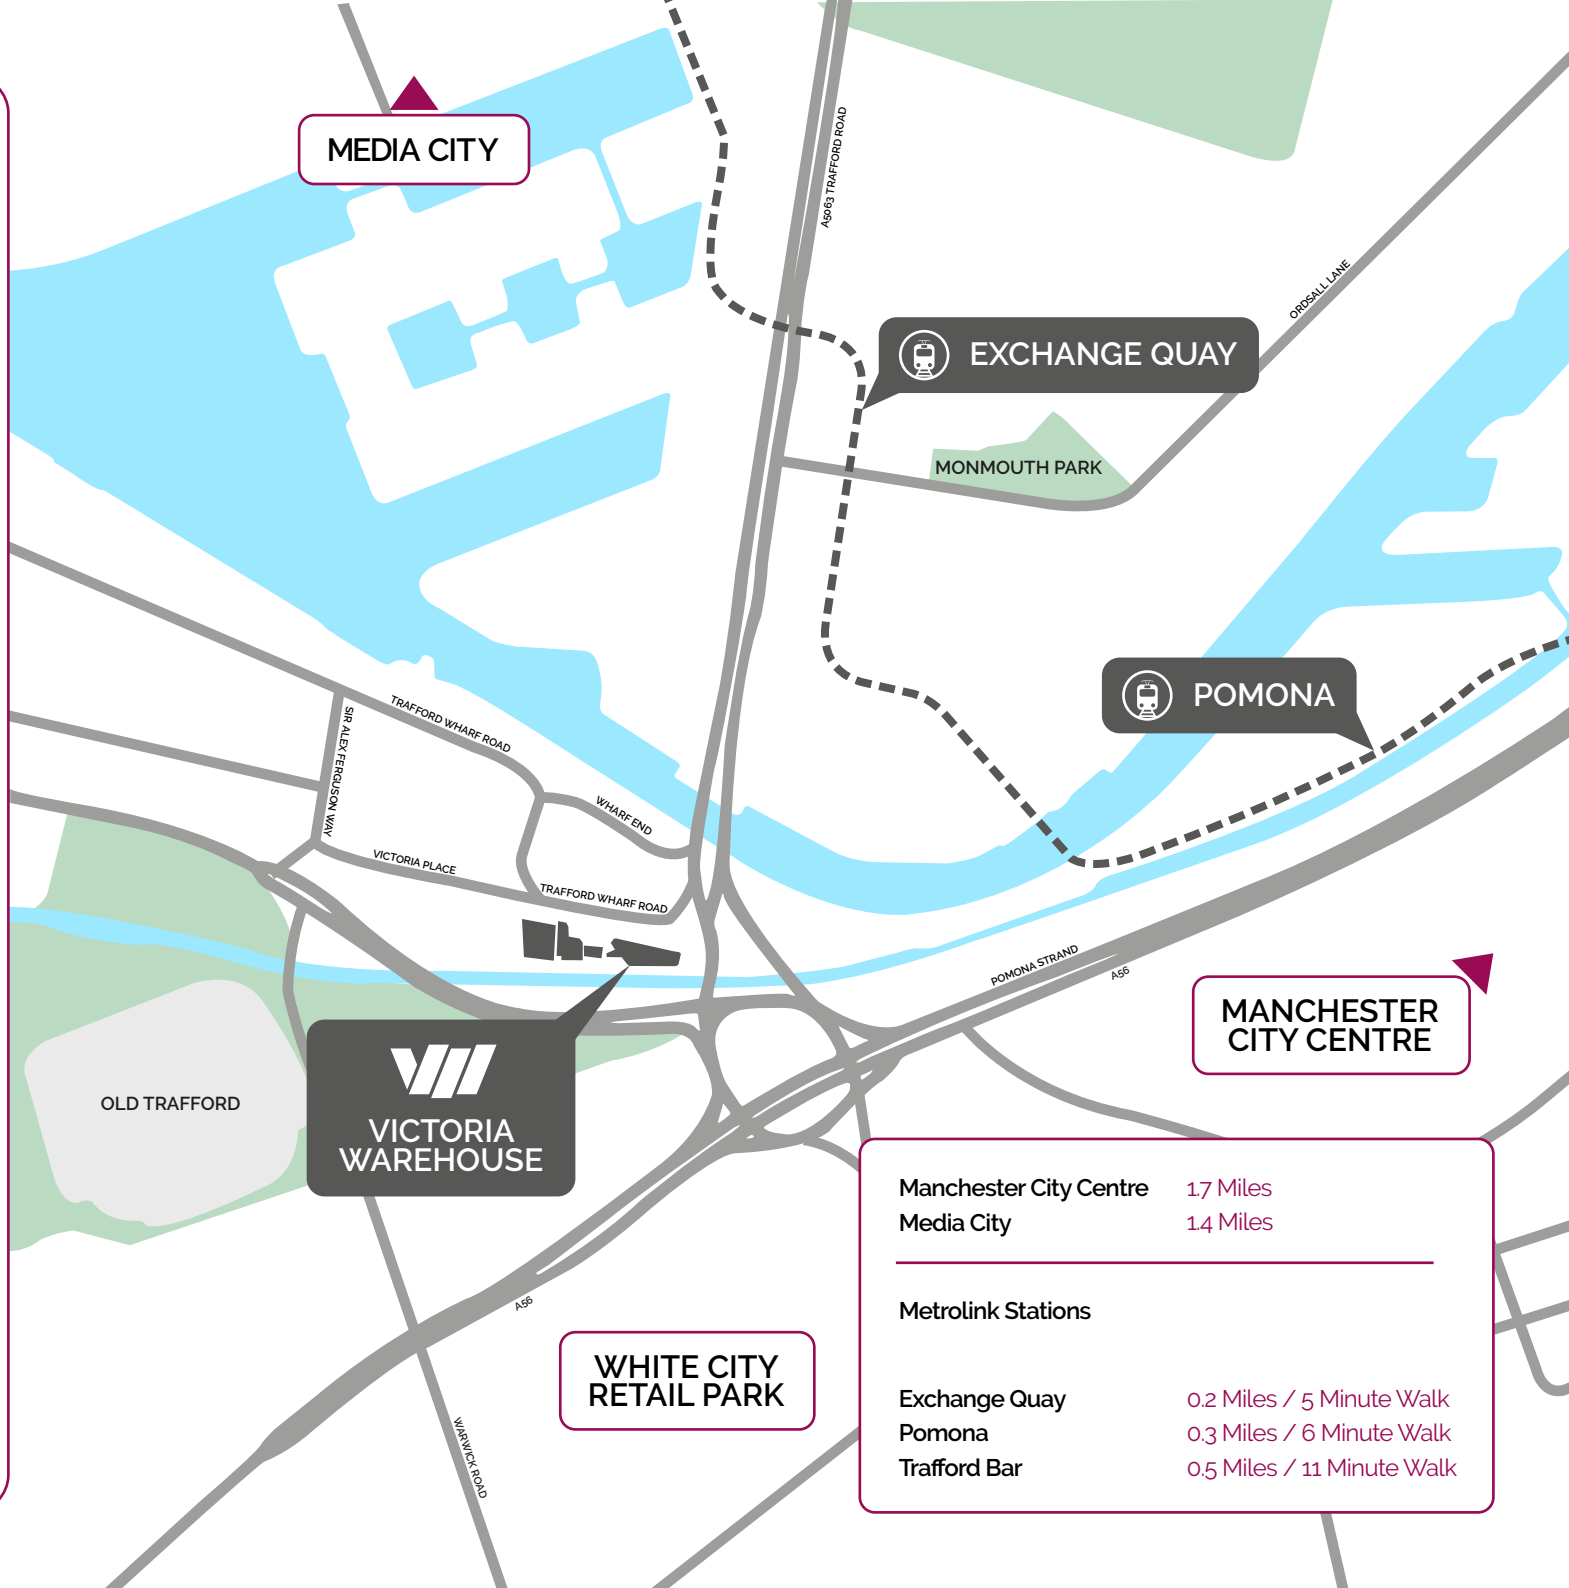

Getting here by Bicycle

The best cyclist routes are along Talbot and Stretford Road heading from Deansgate or Oxford Road. If you're coming from Salford, the Quays have plenty of small roads to access. We'll secure your bike when you get here.

TAXI

Getting here by Taxi

Taxis can pull up at the venue itself. Local service Street Cars (0161 228 7878) are one of the cheapest, most reliable firms. A taxi from Victoria Station shouldn't cost more than £5-7.
